Evening service, 7:30 o'clock. Teachers' lesson study and prayer meeting, Thursday, 7:00 p. m., at 3031 Miller street.

**CHURCHES OF CHRIST, SCIENTIST**  
"Mortals and Immortals" is the subject of the Lesson-Sermon on Sunday in all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The Golden Text is from Paul's letter to the Galatians: "Thou art under no law, but a son; and if a son, then an heir of God through Christ." One of the Bible selections in the Lesson-Sermon presents other words by Paul to the Galatians: "Tell me, ye that desire to be under the law, do ye not hear the law? For it is written, that Abraham had two sons, the one by a bondmaid, the other by a free woman. But he who was of the bondwoman was born after the flesh; but he of the free woman was by promise. Now we, brethren, as Isaac was, are the children of promise. . . . So then, brethren, we are not children of the bondwoman, but of the free." A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, includes the statements: "Mortals are the counterfeit of immortals. . . . In divine Science, God and the real man are inseparable as divine Principle and idea. . . . Mortals will disappear, and immortals, or the children of God, will appear as the only and eternal verities of man."

**FIRST LUTHERAN**  
Aelia avenue and Sonoma street. Phone 591. Frank D. Meehling, pastor. Sunday school, 9:30 a. m. Morning service, 10:45 o'clock. Subject of sermon, "The Comforter of Nations." Choir rehearsal on Wednesday at 8:00 p. m.

**33 Women On University Staff**  
BURLINGTON, Vt. (U.P.)—There are 33 women members of the faculty of the University of Vermont. They are connected with every college except the College of Engineering. Prior to 1872 women were barred from the University even as students. Yet the university graduated the first Phi Beta Kappa woman in the United States.

**Urge Needy Be Employed For Election Work**

Voters' League Committee to Press Claims of Destitute

Committees to take up important matters of interest to the unemployed of Lomita were appointed at the meeting of the Voters' League held Friday night at the Veterans hall.

The first group, composed of the board of directors and L. L. West will contact Supervisor John R. Quinn, in an effort to learn why work on the improvement of Lomita boulevard has been halted and to secure his co-operation in getting it started again.

The second group, also including the board of directors and the secretary, Mrs. Anna Barnett, will take up with the proper persons in control of the situation, the matter of securing appointments to the election boards in the Lomita precincts of unemployed individuals. Complaint is made that at present some of these appointments have been made to persons who have other means of support. It is the intention of the committee to secure as far as possible the inclusion of needy persons to whom the salary of \$10 per day

for such services would be of vital benefit. It is also planned to promote the use of the homes for voting purposes of those persons who would be most benefitted.

A benefit dance to raise funds for the relief store recently established in the L. O. O. F. building will be given Saturday evening, May 18. This will be a hard times costume party. Joe Melz' orchestra will furnish music for the affair.

According to Mrs. Barnett, the unemployed council is backing the Riley-Stewart amendment relating to a plan for the equalization of taxes now pending in the state legislature and the Burk bill now before Congress to tax imports of foreign oil as a measure to protect the domestic industry.

The next meeting of the Voters' League will be held on Thursday, May 25. Meetings will hereafter be held on Thursday instead of Friday night.

**To New Post**

Recently appointed attorney general of American Samoa, Commander Thomas C. Latimore is shown on the liner Monterey at Los Angeles sailing to take over his important job.

820,000 Plants in Herbarium  
CAMBRIDGE, Mass. (U.P.)—The Gray Herbarium at Harvard University contains more than 820,000 specimens of dried plants.
